

## Dull gloss

---

Abnormal paint film gloss (in particular, some roughness to the touch of horizontal surfaces)

**Q1:**

**Settling of chemical conversion sludge or the like on horizontal surfaces.**

**A1:**

Enhance the rinsing process following chemical conversion.

**Q2:**

**Settling of pigments on horizontal surfaces**

**A2:**

- Improve stirring (to optimize stirring for horizontal surfaces).
- Reduce the ash content.
- Enhance filtration.
